Petition of NSTAR Gas Company to the Department of Telecommunications and Energy pursuant to G.L. c. 164, § 69I, for Review and Approval of its Load Forecast and Resource Plan for the five-year period 2005/06 to 2009/10.

On May 31, 2005, NSTAR Gas Company ("NSTAR" or "Company") filed a petition with the Department of Telecommunications and Energy ("Department") for approval of its Load Forecast and Resource Plan for the five-year period 2005/06 to 2009/10. Under G.L. c. 164, § 69I, the Department is required to ensure a necessary energy supply for the Commonwealth with a minimum impact on the environment at the lowest possible cost. Accordingly, the Department will review NSTAR's Load Forecast and Resource Plan to ensure that the forecast accurately projects the gas sendout requirements of the utility's market area. This matter has been docketed as D.T.E. 05-46.

The Department will hold a public hearing to receive comments on NSTAR's petition. The hearing will take place on Thursday, July 28, at 2:00 p.m. at the Department's offices, One South Station, 2nd Floor, Boston, Massachusetts, 02110. A procedural conference will follow immediately thereafter. The petition and accompanying exhibits are available for inspection at the Company's office, NSTAR Gas Company, 800 Boylston Street, SUMNE 240, Boston, Massachusetts, 02199, and at the Department's offices, Monday through Friday, between the hours of 9:00 A.M. and 5:00 P.M.

Any person who desires to file written comments or to participate otherwise in this proceeding shall file an original and four (4) copies of such written comments or petition for leave to intervene in the proceeding with Mary L. Cottrell, Secretary, Department of Telecommunications and Energy, One South Station, Boston, Massachusetts, 02110, no later than 5:00 p.m. on Monday, July 25, 2005, and serve one copy on counsel for the Company, Robert J. Keegan, Keegan Werlin, LLP, 265 Franklin Street, Boston, Massachusetts, 02110-3313.

A petition for leave to intervene must satisfy the timing and substantive requirements of 220 C.M.R. § 1.03. Receipt by the Department, not mailing, constitutes filing and determines whether a petition has been timely filed. A petition filed late may be disallowed as untimely, unless good cause is shown for waiver under 220 C.M.R. § 1.01(4). To be allowed, a petition under 220 C.M.R. § 1.03(1) must satisfy the standing requirements of G.L. c. 30A, § 10.

Please submit a copy of all nonproprietary written pleadings, comments, or petitions to intervene to the Department in electronic format using one of the following methods: (1) by e-mail attachment to dte.efiling@state.ma.us and carol.pieper@state.ma.us; or (2) on a 3.5" disk, IBM-compatible format.
